## Yes! I want to Volunteer at Green Street!

### Events

Event volunteers can help in a variety of ways. We're always looking for people to donate baked goods, wine, and other snacks toward our receptions. Event volunteers also help to usher and schmooze with the audience, help set up and break down the event, and help generate a positive Green Street experience. Event volunteers generally commit for one evening for 4-5 hours.

### Fundraising

Fundraising volunteers help initiate relationships with potential donors, make phone calls to members, assist with our annual appeal. Fundraising volunteers coordinate with the Fundraising committee and the Executive Director around goals and activities.

Fundraising volunteers also solicit in-kind donations such as theatre equipment and technology. Fundraising volunteers can have a range of commitment to Green Street—from one event to longer periods of time.

### Idea People

Idea people volunteer by event planning, joining committees, helping with programming ideas, connections to resources, and networking. Idea people can also help out with marketing ideas, outreach planning, or grant writing. You might even have your own idea about how you can help!

## Workstudy Opportunities

Workstudy Volunteers offer in-kind services in exchange for classes or rehearsal space.

### Cleaning and Maintenance

Cleaning and Maintenance volunteers help with most important day to day service of the Studios—the upkeep of the building. We could use help with carpentry, painting, and general repairs. Like to clean? We're always looking for volunteers to help with our general cleaning duties. Your commitment to cleaning could be as often as once a week or as infrequent as a one-day project.

### Liaisons

Liaisons are volunteers who help represent the studio during concerts and performances. Liaisons supervise the space, help to sell memberships, and make sure the studio is clean when the performers leave. Your commitment as a liaison could be for one or several concerts during our concert season, and will include a training session.
